PUBLISHED BY THE

## NEW YORK ETCHING CLUB

this year is the second one of a new series. In it are etchings, never before published, by Mrs. Thos. Moran, and Messrs. Thos. Moran, Gifford, Yale, and Schilling, and a portrait of each etcher by the N. Y. Photogravure Co.

There will be a short historical sketch concerning engraving and etching prefatory to a technical account of the Art of Etching to be published in next year's number.

In succeeding publications each member of the club will be represented. When the series is complete it will form a collection of examples of the etched work of all of the members of the Club, with portraits of each, and short essays pertinent to the art and its interests.

The edition is a very small one, being limited to five hundred copies at one dollar each. For sale at the desk. Orders, with fifteen cents additional for the mailing, may be sent to
